| BAMBOO              |                 |       | GYL        |
| OCEAN               |                 |       | BR         |
|                     |                 | Grey  | BU         |
|                     |                 |       | GR         |
|                     |                 |       | RE         |
|                     |                 |       | OR         |
|                     |                 |       | YE         |

\* Boards can present color variations due to the wood's natural changes of tone and to the use of organic dyes only.  
 \* The tone of the surface may get darker with a finishing applied.(varnish, oil, wax)
